Welcome to the latest eight page Hart. We once again hope that there is something in it for everyone and that you find it useful and informative. HARTHILL AND DISTRICT GARDEN ASSOCIATION 3 DAY SHOW

What a lovely summer we have had – apart, that is for the last few days of August! I hope that, like us, you have been enjoying the wonderful garden produce that a good summer brings – we are currently awash with courgettes and runner beans – and are running out of recipes! All this brings me to the reminder that HARTHILL AND DISTRICT GARDEN ASSOCIATION 3 DAY SHOW is rapidly coming up. This year’s dates are 19th September, 20th September and 21st September. The schedules with entry forms have been posted out and also are available on our website: www.harthillfruitflowerandvegetableshow.org.uk. We will also have some available in the Post Office, Butchers and Greengrocers as we have in previous years.

We hope that you are able to enter something in this lovely local event, it is known as one of the friendliest Shows in the whole area by the judges, exhibitors and visitors. The vegetables are amazing and the flowers take your breath away. Great domestic skills are shown in the baking and preserving classes, with gorgeous floral arrangements by individuals and village organisations.

The children’s classes are wonderful – the funny animals from fruit and vegetables, the gardens in a tray and cupcake classes really show how clever the children are.

This year there is even more to see as we have introduced a class for ‘Vegetables I Have Grown’ (up to 11 years) and also a new class for 12 – 16 year olds – ‘A Carrot Cake - any recipe shape and size with simple decoration’. We are hoping that the ‘Great British Bake Off’ will stimulate some entries over the whole age group with boys and girls trying their hand.

Of course if you just want to come and look, we are always very happy to see visitors, and as usual we will be serving a range of home-baked cakes and goodies with tea and coffee, and a cake sale and raffle with garden-themed prizes are all there for you to join in. In fact some very special visitors will be joining us at 5.30pm on Saturday, when we open to the public once the judging is over. The Mayor and Mayoress of Rotherham, Councillor John and Mrs Kath Foden, will be coming to see how well Harthill can put on a Show!

Please come and join in with us.

HARTHILL VILLAGE HALL

As many of you know, the Village Hall was closed for 4 weeks from the end of June for a refurbishment of the main hall. The work entailed interior lining of the outside walls with insulation board, replacing the suspended ceiling and also the insulation up above it, replacing old radiators and installing an additional one. In addition, brand new LED lighting was incorporated into the new ceiling. Once this was complete then the whole room was redecorated.

The result is that Harthill now has a bright and airy hall which should not only be much warmer in the winter, but also result in lower bills for heat and light and so reduce the carbon footprint.

The project was a collaborative effort between HVH Ltd and the Parish Council. Following much hard work, we were successful in obtaining a substantial funding grant of £18,700 from Veolia Environmental Trust, with the Parish Council topping this up to the total cost of the work. We are very grateful to both the Trust and the Parish Council for the invaluable contributions made.

On Saturday 27th September, Harthill Village Hall Ltd and the Parish Council will be holding an open morning from 10.00 until 12.00, to allow any of our user groups and residents to come and see what has been achieved. Refreshments will be available so please come and join us and tell us what you think.

2015 HARTHILL-WITH-WOODALL CALENDAR

We have had some fabulous photographs so far for our calendar. It isn’t too late to enter a photo and it doesn’t need to have been taken this year. Local scenes from all seasons are needed. Selection of photos to be used will be made in October and details on sales will appear on the Parish Council’s website, in the e-bulletin and in the next issue of The Hart.

Deadline for photo entries is 3 October – please send to Julie Johnson at Tanimara / Post Office – julie@tanimara.co.uk

HARTHILL FLU DAY

Flu vaccinations for eligible residents will be available on Saturday 18th October at the Harthill Surgery. It is appointment run, usually from 9am to around 2pm. All patients eligible will receive a letter with an allocated time nearer the date but please put the date in diaries now.

CARNIVAL SOCIETY

The Carnival and Parade was once again a great success and we would like to thank all those that attended and supported the event throughout the day. We would also wish to pass our thanks to the individuals and organisations that help in the set up, running and clean up of the event. Furthermore we extend our grateful thanks to all our suppliers and particularly our sponsors and advertisers, without whose commitment we would not be able to run the Carnival on the current scale.

The winner of best in show (fun dogs) was Tilly owned by Malek Belhadj and the prize winners in the Parade were:-

1st: Harthill Pre-School
2nd: Harthill under 11 Cricket Club
3rd: Kiveton Park Under 7 Football Club

We extend our thanks to all who entered again a great success and we would like to thank all those that attended and supported the event throughout the day.

We extend our grateful thanks to all our suppliers and particularly our sponsors and advertisers, without whose commitment we would not be able to run the Carnival on the current scale.

The AGM will be held at 8.00pm on Tuesday 28th October upstairs in the Beehive and all are welcome to attend.

HARTHILL MODERN JIVE & LATIN DANCE CLUB

Harthill Modern Jive & Latin Dance Club has re-opened with a new weekly series of sessions every Wednesday at the Harthill Village Hall, 7.45 - 10.15pm.

Now is an ideal time for more beginners to come and join in, as we are focussing on simple moves at the moment. It usually takes about six sessions for absolute beginners to get into the swing of things, but the emphasis is on having fun whilst learning and practising.

Harthill Modern Jive & Latin Dance Club (HMJ) is a not for profit club run by amateurs. You’ll find we are a friendly lot and very supportive in a relaxed and non-competitive atmosphere. ‘Strictly...’ we are not!

This new series lasts for 14 weeks, ending on the Wednesday before Christmas. Soft drinks are provided, but you can bring your own tipple if you wish. Dress code is very informal/optimal - some folk bring dance shoes and many ladies prefer low heels when dancing. We ask for a £3.00 donation per person / per session, to offset the running costs of the club.

Each session includes two short and easy classes. The first is in Modern Jive. During the class we constantly move people on to other partners so that beginners can be helped along by the more experienced dancers. This is why at HMJ you can come with a partner, but you are equally welcome to come solo or with a group of friends. Some folk do prefer to remain with their own partner and this is no problem.

The class usually consists of a sequence of 3 or 4 basic moves, which can be repeated over and over to a track of music. This is followed by freestyle time where you can practice the sequence or just do your own thing. We encourage folk to dance with lots of different partners as we believe people learn to dance quicker this way. It's quite acceptable for ladies to ask men for a dance, men to ask ladies, ladies to ask ladies -its entirely your choice. We don't like to see anyone sitting around (‘wallflowers’) for long and if asked to dance, it's polite not to refuse. You quickly get to know people and make friends sooner too!

After a short interval, there is a second class in a Latin Style, where we introduce some basic steps and moves in cha-cha, salsa, rumba and tango. Nothing too fancy (as we are not that good ourselves!) but we feel it makes a nice contrast to Modern Jive.

Finally the session ends with more freestyle social dancing until close. So come along and give it a go. The more the merrier.

A brief article by Neil Fretwell – Bagman (secretary) for Harthill Morris

Over the years Harthill village has welcomed many new residents. Perhaps you newer entrants to our village are not fully aware of Harthill Morris.

We are not just those middle aged men who dress up in costume for Boxing Day and Carnival! We actually dance all year round on Thursdays and occasional weekends. September to April we practice in the village hall (followed by a trip to The Beehive hostelry). From May to September we visit various public houses in the surrounding areas.

An old adage purports that one doesn’t become a Morris dancer to get fit, but you need to be fit to become one; well fairly active anyway.

In 1975, a group of Harthill men met to be part of the entertainment for a village function. This group learned the basic rudiments of the Morris. The response stimulated the formation of the Harthill Morris in 1976. The group continued to flourish and in 1981 were accepted into the Morris Ring. During the 1980’s, the side had the honour of dancing before the Queen in Worksop and also the Prince & Princess of Wales in Chesterfield, when performing Opening Ceremonies.

Well, that was last century!

Towards the end of the twentieth century Morris dancing was often ridiculed by certain elements of the popular press and media. However, those times are thankfully gone. Currently we are witnessing a resurgence of interest in this part of our heritage not dissimilar to the folk revival of the 1960’s.

New teams of young dancers are springing up in many towns and universities and they enjoy dancing in the company of experienced teams such as Harthill Morris.

Over the years Harthill have accepted new members who wished to enjoy a dance along with the fellowship of friendly people and we are always seeking new members. Yes, you can gain new friends whilst enjoying a dance.

We strive to keep England’s traditions alive whilst having an immense amount of fun at the same time.

Harthill Morris also attends festivals, galas, carnivals and weddings in addition to charity events such as dancing at Rotherham Hospice and Old Folk’s Homes.

Unfortunately ladies, Harthill Morris is a male only club, though you might like to consider our good friends Three Shires Ladies Clog and Garland Dancers.

So gentlemen of Harthill and surroundings why not pop into our newly refurbished village hall between 8-00pm. and 9-30pm. on a Thursday evening. You will be made most welcome and guided through a few dance steps. IT IS GOOD FUN!

Perhaps you have friends in other villages who might like to accompany you? We have members who travel quite a distance from places such as Dronfield, Sheffield and Retford to enjoy this fun.

Additionally should you play or have thought about playing a musical instrument then our talented musicians are always willing to help and guide.

Our sessions begin on Thursday 25th September and continue each week.

Oh, although existing members pay a small membership fee this is waived for newcomers.

So, why not TRY FOR FREE and see if you could take to it.

HARTHILL MORRIS

BLOOMING PROBLEM

Many thanks to all those dedicated people who have contributed to making Harthill and Woodall once again look bright and colourful this year. All the beds, village signs and other areas around our lovely villages have been well tended and, as I write this article, are still looking very good. The two yellow painted bicycles installed to celebrate the Tour de France in Yorkshire were a great addition and small areas of Flanders Poppies have appeared to commemorate the beginning of World War I.

The ‘In-Bloom Group’ is very grateful for the continued financial support of the Parish Council and important contributions made by the W.I., the Well-Dressing Group, the Carnival Society and others. However, as emphasised in the last edition of the HART, we do have a big problem. The long-serving officials of the group – Chairperson, Secretary and Treasurer – will be resigning at the next AGM early in the New Year. So far there have been no volunteers to replace them. Without them there will be no ‘In-Bloom Group’ and the beautiful appearance of our villages will no doubt deteriorate as a consequence. They are not particularly onerous positions – just a few hours during the year to organise things.

PLEASE WILL YOU HELP?

If you would like to volunteer, please contact the secretary, Wendy Thompson, on 01909 773271

**DO YOU WANT TO RECEIVE UP TO DATE LOCAL INFORMATION BY E-MAIL?**

The Hart is only a quarterly publication and so much happens in Harthill and Woodall. The Parish Council would like to keep people as informed as possible in between issues and there is now an e-mail bulletin which highlights news, events and up to date information. This has got off to a good start but there are still a lot of people not receiving it.

Because of the Data Protection Act, you need to **OPT IN** to the e-mail bulletin to receive it. In order to do so, please send an e-mail to the Clerk – **les.wheatley@btinternet.com** with the subject line **E-BULLETIN OPT IN**. That’s all there is to it.

It is also a great place to publicise forthcoming events or community group activities. Contact Les Wheatley on 01246 434908 (or e-mail les.wheatley@btinternet.com) if you would like to publicise an event or a group.

The website has been completely redesigned and the new site will be up and running from October.

RMBC COUNCILLORS

Regular surgeries are held by our three Borough Councillors (Dominic Beck, Jenny Whysall and Gordon Watson) on rotation at:-

Harthill Methodist Chapel – 1st, 2nd and 3rd Saturdays of each month, 10am-11am
Kiveton Park Library – 1st and 4th Saturday of the month, 10am – 11am
Kiveton Park Library – 1st Thursday of each month, 5-6pm

All welcome and appointments not necessary.

KIVETON PARK INDEPENDENT ADVICE CENTRE

We feel that there is a demand for appointments on a Saturday particularly in respect of clients who are unable to attend week-day appointments due to employment, child-care, or transport issues. With this in mind we are starting to offer a number of casework type appointments on a Saturday starting on 27th September 2014.

Dates for the rest of 2014 are as follows: -

27th September
11th October
15th November
20th December

We are seeking to ‘spread the word’ as we feel sure that these appointments will benefit those who currently have difficulty in accessing advice services. We are trialling this new provision until the year-end but, if successful – and we’re confident it will be – the provision will be extended, and possibly expanded.

The electoral registration system changed in June 2014. The new system is called ‘Individual Electoral Registration’. This is the biggest change to the voter registration system in 100 years.

**How is the new system different?**

- You can now register online at [www.gov.uk/register-to-vote](http://www.gov.uk/register-to-vote)
- Everyone is responsible for registering themselves. Under the old system the ‘head of every household’ could register everyone who lived at their address
- You need to provide a few more details to register – including your national insurance number and date of birth. This makes the electoral register more secure.

**How do I register under the new system?**

Most people who were already registered under the old system have been transferred automatically to the new register. But some will need to re-register and there are also people who are not registered to vote at all and so need to register to have their say in elections.

It is a simple process and under the new system you can apply online, by phone or by completing a form and returning it to the Electoral Registration Officer.

**How do I know if I have been transferred automatically?**

At the beginning of August 2014, we wrote to everyone who was automatically transferred. If you received a letter confirming you are registered under the new system you do not need to do anything, unless you subsequently move house when you would need to re-register at your new address.

**How do I know that I need to re-register if I have not been transferred automatically?**

At the beginning of August 2014, we wrote to everyone who was previously registered under the old system but could not be automatically transferred. The letter contained an “invitation to register” form which you can complete and return to the Electoral Registration Officer or you can apply quickly and easily online or by telephone.

**Why do some people need to re-register but not others?**

The new system is more secure because we try to match everyone’s details against government records. If you get a letter telling you that you need to register on the new system, it’s probably because we couldn’t find an exact match.

**What if I did not receive a letter?**

This may mean that you were not previously registered to vote and you will need to apply to register so you can have your say. You can apply online or by telephone or ask the Electoral Registration Officer to send you a form to complete and return.

**What if I have changed address since I received the letter confirming I had been transferred automatically?**

You may be registered at your old address and will need to apply to register at your new address.

**To apply to register:**

To register online go to [www.gov.uk/register-to-vote](http://www.gov.uk/register-to-vote)

To register by telephone or request a form contact 01709 336010

ALL HALLOWS REFURBISHED BELLS

For a few years now the ringers have been aware that the metal frame which contains the bells has been suffering from corrosion and, if left unchecked, could lead to serious deterioration. Also, the wire around the louvres (the slats which allow the sound to come out of the tower) had rotted and had allowed jackdaws and pigeons to gain access.

Over the years the ringers have been putting aside money which they earn through ringing for weddings and other special occasions, and also donations from visiting ringers, into a special bell repair fund. It was decided to use this fund, together with some funding support, to tackle the problem. The Loscar Wind Farm Fund very kindly agreed to support our project with a donation of £1500. This, together money from our own funds of just over £2000, enabled us to go forward. We also contributed over 30 hours of volunteer labour.

Some 30 bags of bird muck, twigs and general detritus were removed from the tower, before new wire was fixed over the louvres. All the remaining dust and dirt has been vacuumed up using an industrial vacuum cleaner kindly loaned by John Gunby of Tedbar Tinker Hire. The frame has been rubbed down and three coats of paints applied to stop the corrosion from going any further. All the bell wheels were removed and refurbished, and all the metal bell headstocks repainted. New bolts were installed to replace all the badly corroded ones, which presented some problems as some of the worst ones had to be drilled out. Timber has been installed beneath the bells to reduce the noise in the ringing chamber. This has proved very successful and has produced a much more mellow sound.

Our bells are now set fair for the foreseeable future.

Our thanks go to Malcolm Turner of Rotherham and Chris Bennett of Sheffield for carrying out this awkward and very dirty work. Between them some 300 hours of work has gone into the project.

We now have a set of bells worthy of our village and we hope that they will continue to ring for many years.

THREE SHIRES CLOG DANCERS

You all know the rhyme 10 green bottles, well Three Shires Clog dancers find themselves in the same predicament. Read on…

Twelve North West Cloggies

12 North West cloggies dancing in the sun,
12 North West cloggies having lots of fun,
Then 1 North West cloggie said, “I’m moving far away!”
So there were 11 North West cloggies whose woes had just begun.

11 North West cloggies dancing straight and true
11 North West cloggies partners 2 by 2,
Then 1 North West cloggie said, “My knees are causing pain”,
So there were 10 North West cloggies feeling slightly blue.

10 North West cloggies, garlands held on high
10 North West cloggies pass each other by,
Then 1 North West cloggie said, “Now life’s got in the way…”
So there were 9 North West cloggies thinking they could cry.

9 North West cloggies dance in sets of 8,
9 North West cloggies still are looking great,
Then 1 North West cloggie said, “My back is very sore”,
So there were 8 North West cloggies wondering at their fate.

8 North West cloggies putting on displays
8 North West cloggies still get the public’s praise
Then 1 North West cloggie said, “I’m too old to carry on”
Then there were 7 North West cloggies reeling in a daze.

7 North West cloggies bravely shaking sticks,
7 North West cloggies dancing sets of 6,
Then 1 North West cloggie said “I’m far too busy at work”,
So there were 6 North West cloggies really in a fix.

You get the picture! However Three Shires have been there before and risen from the depths. It’s our 25th Anniversary next year and we are determined to last that long.

Recruiting posters are up, leaflets handed out, advertising in as many places as possible, word of mouth invitations and as many displays as can be done with just 6 of us!

Would you like to join us? – We are an all ladies dance team with male and female musicians.
We meet on Tuesday evenings, 7.30pm – 9.30pm in Harthill Village Hall and every third Tuesday of each month in Todwick Village Hall, 7.30pm to 9.30pm.

LEISURE CENTRE

Another season draws to a close at the Leisure Centre and it has been a mixed one. Both football and netball have flourished this year and bowls has seen a big resurgence with over 30 regular players. Our first league bowling team for several years has done very well in its first season and has picked up a few victories. A promotion push is on for next year!

There has been very little tennis played at the centre during the summer and we will be looking to promote this more widely next season. The cafe has not done so well and is now mothballed while we have a rethink about what to do with it. Those who visited seemed to like it – just not many people came!

The bowls season drew to a close with Finals Day of the Irving Sampson Trophy. We had a great day for it and it was won by George Holden who defeated Steve Rudge in a closely fought final. Congratulations to George on his victory.

We hope to continue playing bowls for as long as the weather holds. If you want to try it then come along and play for free on Tuesdays or Thursday afternoons 1.30 until 4pm.

If you have any ideas for other activities at the centre for next year then please let us know.

HARTHILL CRICKET CLUB

The 2014 cricket season is drawing to a close and it has been a tough year on the field for Harthill Cricket Club.

The 1st team have flirted with relegation from Division 1 but secured safety with 2 games to go following a resounding 8 wicket victory over Whitwell.

Batsman Ian Briggs has been in phenomenal form and is the leading run-scorer in the entire 9 divisions of the Bassetlaw League with an aggregate of 1,087 to date at an average of 84. This includes 5 centuries and a 99 not out.

The 2nd team will finish in the upper reaches of Division 5 but promotion has been secured by South Normanton and Milton.

Dave Chambers is once again the leading wicket taker with 43 so far.

Encouragingly Harthill and Woodall lads Tom Barlow, Adam Brookes and George Woodward have all played senior cricket this season as well as representing the under 15’s.

As the winter looms works need to happen on the ground including deep scarifying and dressing the wicket, cutting the hedges back which are starting to invade the ground back and improvements in the pavilion.

If anyone has any Heras fence panels in need of a good home or would like further information about the club please contact Andrew Rossington on 07841 377213.
